

OR SNF Baseline Disposition Map

PREDECISIONAL DRAFT

This map is conceptual and in many cases does not represent cleanup or transfer decisions; this map does not preclude the ongoing regulatory and stakeholder decision-making processes.

*HFIR activities are funded by Energy Research. Disposition activities will be funded by EM at SRS. Data will not be shown on the CPQT.

**Mark 42 Target activities are funded by the Defense Program. Disposition activities will be funded by EM at SRS. Data will not be shown on the CPQT.
